

Know your position

# The new eTrex® high sensitivity range

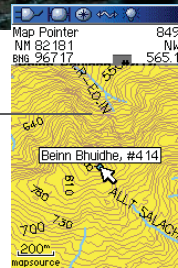

## Across the range:

- ▶ **High sensitivity GPS receiver**  
Improved, high-sensitivity GPS receiver, so you will know your position, even under tree cover or in built-up areas.
- ▶ **Simple navigation**  
Plan and follow your router from point to point, ensuring you always know where you are, and the expected time to your destination.
- ▶ **Compact and rugged design**  
Compact, lightweight, waterproof, and with glove-friendly operation, the eTrex is the ideal companion, whatever the weather.

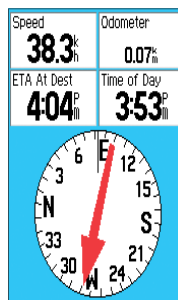

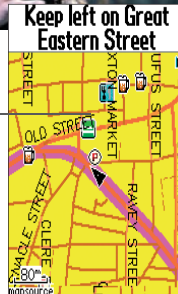

## eTrex HC/HCx models:

- ▶ **Sunlight readable, colour display**  
With 2567 colour TFT display and adjustable contrast levels, the eTrex HC screens are clear and easy to read in all light conditions.
- ▶ **Simple data transfer**  
With USB cable and Trip and Waypoint Manager software CD included, storing your waypoints and sharing or recording your routes is simple and easy to manage.
- ▶ **'Go Geocaching'**  
Special geocaching mode for use with mygarmin.com - simple, one-step download of cache coordinates directly to your eTrex.

## eTrexHCx models:

- ▶ **Expandable memory**  
Insert pre-programmed cards or load from your PC to view detail topographical and street-level data directly on your eTrex.
- ▶ **Turn-by-turn compatible**  
Use with TOPO Great Britain to navigate on road as well as off - ideal for finding your way home in the car after your adventure.
- ▶ **Barometric altimeter + Electronic compass**  
For extremely accurate elevation, profile and heading information, even while standing still. (Vista HCx only)
